When course developers propose to use books and reference material not previously presented to NYSID by their publishers for approval, the "Page #" line must be completed to indicate precise page references. In addition, we must receive clear bibliographic details that indicate the publisher, book title, publication date, and edition.

1.0	Insurance Regulation 7%	Page #	Session #
1.1	Licensing		
	Process (2103(d-i))		
	Definitions		
	Producer definition (2101(k))		
	Who should be licensed (2101(k))		
	Home state (2101(l))		
	Negotiate (2101(m))		
	Sell (2101(n))		
	Solicit (2101(o))		
	Types of licensees
