**As of 12/5/2023**

**Instructions for SERFF Checklist:**

- A. For **ALL** filings, the “General Requirements for All Filings” section must be completed:
- B. For a **FORM** filing, completion of additional sections may be required as follows, depending on the type of form being submitted:
- Policy or Contract: Complete all sections except the section entitled “Application Forms.”
  - Rider or Endorsement: Complete all items in the “Policy Forms” section relevant to the form being submitted.
  - Application: Complete the section entitled “Application Forms.”
- C. For filing of initial rates, complete the section entitled “Actuarial Section for New Product Rate Filings Only” in addition to completion of the applicable form sections identified above. For filing of rate changes to existing products (increases, decreases, or change in rate calculation rules or procedures), complete the “Actuarial Section for Existing Product Rate Filings Only” section. For filing of any other changes to rate or underwriting manuals (e.g., changes in commissions or underwriting), complete the “Actuarial Section for Existing Product Rate Filings Only” section.
- D. For each item, enter in the last column the form number(s) and page number(s) where the requirement is met in the filing.
- E. **Instructions for Citations:** All citations to Insurance regulations link to the Department of State’s website and an unofficial copy of the NYCRR. Select title 11 for Insurance regulations. Most of the pertinent form and rate regulations are located in Chapter III Policy and Certificate Provisions, Subchapter A Life, Accident and Health Insurance. All citations to New York Laws (Insurance Laws or other New York laws) link to the public LRS website. To locate the Insurance Laws, select the link labeled “ISC”.

Specific diseases and disorders include but are not limited to: inherited amino-acid or organic acid metabolism; Crohn's Disease; gastroesophageal reflux; gastrointestinal motility such as chronic intestinal pseudo-obstruction; and multiple, severe food allergies. Multiple food allergies include but are not limited to: immunoglobulin E and nonimmunoglobulin E-mediated allergies to multiple food proteins; severe food protein induced enterocolitis syndrome; eosinophilic disorders and impaired absorption of nutrients caused by disorders affecting the absorptive surface, function, length, and motility of the gastrointestinal tract.</p> <p>This policy or contract form provides coverage for modified solid food products that are low in protein, contain modified protein, or are amino acid based to treat certain inherited diseases of amino acid and organic acid metabolism and severe protein allergic conditions.</p> <p>Such coverage may be subject to deductibles, copayments and/or coinsurance.</p>	
Eye Drops	<a href="#">§ 3221(k)(17)</a> <a href="#">§ 4303(hh)</a> <a href="#">Model Language</a>	<p>If coverage for prescription drugs is provided under the policy or contract, then the policy or contract form shall allow for the limited refilling of eye drop medication requiring a prescription prior to the last day of the approved dosage period. Any refill dispensed prior to the expiration of the approved coverage period shall, to the extent practicable, be limited in quantity so as not to exceed the remaining dosage initially approved for coverage. The limited refilling shall not limit or restrict coverage with respect to any previously or subsequently approved prescription for eye drop medication.</p>	
Formulary Changes	<a href="#">§ 4909(a)-(b), (d)</a>	<p>The policy or contract form states that a prescription drug will not be removed from the formulary during the plan year, except when the FDA determines that the prescription drug should be removed from the market. Before the insurer removes a prescription from its formulary, the insurer must provide at least 90 days' notice prior to the start of plan year and post such notice on the insurer's website. The insurer will not add utilization management restrictions (e.g., step therapy or preauthorization requirements) to prescription drugs on the formulary unless the requirements are added due to FDA safety concerns.</p>	
Formulary Disclosure	<a href="#">§ 3242(a)</a> <a href="#">§ 4329(a)</a>	<p>Every insurer that provides coverage for prescription drugs shall, with respect to the prescription drug coverage, publish an up-to-date, accurate, and complete list of all covered prescription drugs on its formulary drug list, including any tiering structure that it has adopted and any restrictions on the manner in which a prescription drug may be obtained, in a manner that is easily accessible to insureds and prospective insureds. The formulary drug list shall clearly identify the preventive prescription drugs that are available without annual deductibles or coinsurance, including copayments.</p>	
Formulary Exceptions	<a href="#">§ 3242(b)</a> <a href="#">§ 4329(b)</a> <a href="#">Model Language</a>	<p>This policy or contract form provides for a standard and expedited formulary exception process for prescription drugs not on the insurer's formulary. The insured, the insured's designee or their prescribing health care professional may request a formulary exception for a clinically-appropriate prescription drug in writing, electronically or telephonically.</p> <p>For standard formulary exception requests, the insurer must make a decision and notify the insured or the insured's designee and the prescribing health care professional by telephone no later than 72 hours after receipt of the request. The insurer must notify the insured in writing of a denial within three (3) business days of receipt of the insured's request. If the insurer approves the request, the insurer must cover the prescription drug while the insured is taking the prescription drug, including any refills.</p>

Mail Order Drugs for Policies With a Provider Network	<a href="#">§ 3221(l)(18)</a> <a href="#">§ 4303(kk)</a> <a href="#">Model Language</a>	If this policy or contract form provides coverage for mail order drugs, then this policy or contract shall permit an insured to fill any prescription that may be obtained at a network participating mail order or other non-retail pharmacy, at the insured's option, at a network participating non-mail order retail pharmacy provided that the network participating non-mail order retail pharmacy agrees to the same reimbursement amount as a participating mail order or other non-retail pharmacy.	
Off-Label Cancer Drug Usage	<a href="#">§ 3221(l)(12)</a> <a href="#">§ 4303(q)</a> <a href="#">Model Language</a>	If coverage for prescription drugs is provided under the policy or contract, then coverage may not be excluded, or denied, because the drug is being prescribed to treat a type of cancer for which the FDA has not approved the drug. The drug must be recognized for treatment of the specific type of cancer for which it has been prescribed in one of the following reference compendia: the American Hospital Formulary Service-Drug Information; National Comprehensive Cancer Networks Drugs and Biologics Compendium; Thomson Micromedex DrugDex; Elsevier Gold Standard's Clinical Pharmacology; or other authoritative compendia as identified by the Federal Secretary of Health and Human Services or the Centers for Medicare and Medicaid Services; or recommended by review article or editorial comment in a major peer reviewed professional journal.	
Orally Administered Anticancer Medications	<a href="#">§ 3221(l)(12-a)</a> <a href="#">§ 4303(q-1)</a> <a href="#">Model Language</a>	If coverage for prescription drugs and cancer chemotherapy treatment is provided under the policy or contract, then the policy or contract form provides coverage for a prescribed orally administered anticancer medication used to kill or slow the growth of cancerous cells. Such coverage may be subject to deductibles, copayments and/or coinsurance that are at least as favorable as those that apply to coverage for intravenous or injected anticancer medications. Insurers shall not achieve compliance with the law by imposing an increase in cost-sharing for IV anti-cancer medications. Therefore, an increase in cost-sharing for IV anti-cancer medications may not be applied to oral anti-cancer medications.

Prohibition for Tier IV Drugs	<a href="#">§ 3221(a)(16)</a> <a href="#">§ 4303(ji)</a> <a href="#">PHL § 4406-c(7)</a> <a href="#">Circular Letter No. 12 (2018)</a> <a href="#">Model Language</a>	If coverage for prescription drugs is provided under the policy or contract, then the policy or contract form shall not impose cost-sharing (copayment, coinsurance and deductible) for any prescription drug that exceeds the cost-sharing for non-preferred brand drugs or its equivalent (or brand drugs if there is no non-preferred brand drug category).  Tier placement should be determined using an evidence-based process that analyzes the safety and effectiveness of a drug or device in addition to its economic value relative to alternative therapies. Determinations on tier placement may not be based on the cost of the drug alone.	
Tier Status	<a href="#">§ 4909(c)-(d)</a>	The policy or contract form states that a prescription drug will not be moved to a tier with higher cost-sharing during the plan year, except that a brand name prescription drug may be moved to a tier with higher cost-sharing if an AB-rated generic equivalent or interchangeable biological product for the prescription drug is added to the formulary at the same time. Additionally, a prescription drug may be moved to a tier with a higher copayment during the plan year, provided the change does not apply to an insured who is already taking the prescription drug or has been diagnosed or presented with a condition on or prior to the start of the plan year, which condition is treated by such prescription drug or for which condition the prescription drug is or would be part of the insured's treatment regimen.  Before a prescription drug is moved to a different tier, the insurer must provide at least 90 days' prior notice to the start of the plan year and such notice must be posted on the insurer's website. If a prescription drug is moved to a different tier during a plan year for one of the reasons above, the insurer must provide at least 30 days' prior notice before the change is effective. The insured will pay the cost-sharing applicable to the tier to which the prescription drug is assigned.	
Coverage for All Buprenorphine Products, Methadone or Long-Acting Injectable Naltrexone  <i>Note: Coverage for all buprenorphine products, methadone or long-acting injectable naltrexone are required even when prescription drugs are not otherwise covered under the policy or contract form.</i>	<a href="#">§ 3221(f)(7-a)</a> <a href="#">§ 4303(l-1)</a> <a href="#">Circular Letter No. 6 (2016)</a> <a href="#">Circular Letter No. 14 (2017)</a> <a href="#">Circular Letter No. 16 (2017)</a>	This policy or contract form shall provide immediate coverage for all buprenorphine products, methadone or long-acting injectable naltrexone without prior authorization for the detoxification or maintenance treatment of a substance use disorder. Dental Services	<a href="#">11 NYCRR 52.16(c)(9)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for dental care or treatment except for: care or treatment due to an accidental injury to sound natural teeth within 12 months of the accident; dental care or treatment necessary due to congenital disease or anomaly; or except as required in the oral surgery or pediatric dental benefits, as applicable. <i>(Note: Plans may, however, remove or extend the 12-month limitation.)</i>	
Experimental or Investigational Treatment	<a href="#">§ 3221(k)(12)</a> <a href="#">§ 4303(z)</a> <a href="#">Article 49</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for any health care service, procedure, treatment, device, or prescription drug that is experimental or investigational. However, coverage will be provided for experimental or investigational treatments, including treatment of rare diseases or patient costs for the insured's participation in a clinical trial, when the denial of services is overturned by an external appeal agent certified by the State. However, for clinical trials, no coverage will be provided for the costs of any investigational drugs or devices, non-health services required for the insured to receive the treatment, the costs of managing the research, or costs that would not be covered under the policy or contract form for non-investigational treatments.	
Felony Participation	<a href="#">§ 3221(c)</a> <a href="#">11 NYCRR 52.16(c)(4)(i)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for any illness, treatment or medical condition due to participation in a felony, riot or insurrection. This exclusion does not apply to coverage for services involving injuries suffered by a victim of an act of domestic violence or for services as a result of a medical condition, including both physical and mental health conditions.	
Foot Care	<a href="#">11 NYCRR 52.16(c)(6)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for routine foot care, in connection with corns, calluses, flat feet, fallen arches, weak feet, chronic foot strain or symptomatic complaints of the feet. However, this policy or contract form includes coverage for foot care for a specific medical condition or disease resulting in circulatory deficits or areas of decreased sensation in a covered person's legs or feet.	
Government Facility	<a href="#">11 NYCRR 52.16(c)(8)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for care or treatment provided in a hospital that is owned or operated by any federal, state or other governmental entity, except as otherwise required by law.	
Medically Necessary	<a href="#">§ 3201(c)(3)</a> <a href="#">Article 49</a> <a href="#">Model Language</a>	This policy or contract form generally excludes coverage for any health care service, procedure, treatment, test, device, or prescription drug that is determined to not be medically necessary; however, coverage will be provided when the denial of services is overturned by an external appeal agent certified by the State. Any denial of coverage should be treated as a medical necessity denial unless the denial is based on a benefit limit that is described in the contract or policy form.	
Medicare or Other Governmental Program	<a href="#">11 NYCRR 52.16(c)(8)</a> <a href="#">11 NYCRR 52.26(c)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for benefits provided under the federal Medicare program or other governmental program (except Medicaid).  This policy or contract form may exclude Medicare benefits when coverage continues beyond the insured's eligibility for Medicare, provided appropriate adjustment is made to the premium.	
Military Service	<a href="#">11 NYCRR 52.16(c)(4)(i)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for an illness, treatment or medical condition due to service in the Armed Forces or auxiliary units.	
No-Fault Automobile Insurance	<a href="#">11 NYCRR 52.16(c)(8)</a> <a href="#">Model Language</a>	This policy or contract form excludes coverage for any benefits to the extent provided for any loss or portion thereof for which mandatory automobile no-fault benefits are recovered or recoverable. This exclusion applies even if the insured does not make a proper or timely claim for the benefits available under a mandatory no-fault policy.

Termination for Fraud	<a href="#">§ 3105</a> <a href="#">§ 3221(p)(2)(B)</a> <a href="#">§ 4305(j)(2)(B)</a> <a href="#">Model Language</a>	This policy or contract form includes a provision permitting the insurer to terminate coverage if the group or a subscriber has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact in writing on an enrollment application or in order to obtain coverage for a service.	
Discontinuation of a Class of Coverage	<a href="#">§ 3221(p)(2)(D)</a> <a href="#">§ 3221(p)(3)(A)</a> <a href="#">§ 4305(j)(2)(D)</a> <a href="#">§ 4305(j)(3)(A)</a> <a href="#">Model Language</a>	This policy or contract form includes a provision permitting the insurer to discontinue this class of policy or contract upon written notice to each group, participant, and beneficiary not less than 90 days prior to the date of discontinuance. The insurer must offer groups the option to purchase all (or with respect to the large group market, any) other hospital, surgical, and medical expense coverage currently being offered by the insurer to a group in such market and in exercising the option to discontinue coverage of this class, the insurer must act uniformly without regard to the claims experience of those groups or any health status-related factor relating to any insureds covered or new insureds who may become eligible for such coverage.	
Discontinuation of all Policies/Contracts in the Large Group Market	<a href="#">§ 3221(p)(2)(D)</a> <a href="#">§ 3221(p)(3)(E)</a> <a href="#">§ 4305(j)(2)(D)</a> <a href="#">§ 4305(j)(3)(E)</a> <a href="#">Model Language</a>	This policy or contract form (other than an HMO) includes a provision permitting the insurer to discontinue all hospital, surgical and medical expense coverage in the large group market upon written notice to the Superintendent and to each group, participant, and beneficiary at least 180 days prior to the date of discontinuance.	
Termination for Failure to Meet Requirements of Group	<a href="#">§ 3221(p)(2)(E)</a> <a href="#">§ 4235(c)(1)</a> <a href="#">§ 4305(j)(2)(E)</a> <a href="#">Model Language</a>	This policy or contract form includes a provision permitting the insurer to terminate coverage if the group ceases to meet the requirements of a group under § 4235. Coverage terminated pursuant to this provision shall be done uniformly without regard to any health status factor relating to any individual.	
Termination if there are No Longer Insureds in the Insurer's Service Area	<a href="#">§ 3221(p)(2)(F)</a> <a href="#">§ 4305(j)(2)(F)</a> <a href="#">Model Language</a>	This policy or contract form includes a provision permitting the insurer, in regard to a network plan, to terminate coverage if there is no longer any insured who lives, resides, or works in the service area of the insurer, or in the area for which the insurer is authorized to do business.	
Termination for Spouses in Cases of Divorce	<a href="#">§ 3221(p)(2)(G)</a> <a href="#">§ 4305(j)(2)(G)</a> <a href="#">Model Language</a>	This policy or contract form provides that in cases of divorce, coverage for the spouse shall terminate as of the date of the divorce.

Termination upon Death of Subscriber	<a href="#">§ 3221(p)(2)(G)</a> <a href="#">§ 4305(j)(2)(G)</a> <a href="#">Model Language</a>	This policy or contract form provides that upon the subscriber's death, the coverage will terminate unless there are dependents covered. If there is coverage for dependents, then coverage will terminate as of the last day of the month for which the premium has been paid.	
Termination by Subscriber	<a href="#">Model Language</a>	This policy or contract form provides that termination will occur at the end of the month during which the subscriber provides written notice requesting termination or on such later date requested for such termination by the notice.	
Rescission	<a href="#">§ 3105</a> <a href="#">§ 3204</a> 42 USC § 300gg-12 45 CFR § 147.128 <a href="#">Model Language</a>	No misrepresentation shall void coverage or defeat any recovery thereunder unless the insured makes a misrepresentation that is material and intentional. This policy or contract form may include a provision that in the event a subscriber makes an intentional misrepresentation of material fact in writing upon his/her enrollment application, coverage may be rescinded if the facts misrepresented would have led the insurer to refuse to issue the coverage.	
Notice of Termination	<a href="#">11 NYCRR 52.18(c)</a> <a href="#">Model Language</a>	Unless otherwise specified under the Insurance Law, the insurer must provide at least 30 days' prior written notice of termination. The policy may establish the amount of prior written notice (typically 30 days) required for the group to terminate coverage. Coverage will terminate at the end of the month in which the group's written notice takes effect.	
Renewal	<a href="#">§ 3221(a)(5)</a> <a href="#">§ 3221(p)</a> <a href="#">§ 4305(j)</a> <a href="#">11 NYCRR 52.18(c)</a> <a href="#">Model Language</a>	This policy or contract form provides that except as specified in §§ 3221(p) and 4305(j), the insurer must renew or continue in force such coverage at the option of the group.  This policy or contract form specifies the conditions under which the insurer may refuse to renew the policy or contract.

Extension of Benefits	<a href="#">11 NYCRR 52.18(b)(4), (5), (6)</a> <a href="#">Model Language</a>	This policy or contract form provides that when coverage under this policy or contract ends, benefits will be provided during a period of total disability for a hospital stay commencing, or surgery performed, within 31 days from the date coverage ends. The hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.  If the covered person's coverage terminates by reason of the termination of active employment, an extended benefit will be provided during a period of for up to 12 months from the date coverage ends for covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under another group health plan.	
Continuation Coverage	<a href="#">§ 3221(e)(7)</a> <a href="#">§ 3221(m)</a> <a href="#">§ 4305(e)</a> COBRA, Title X of Public Law 99-272 <a href="#">Model Language</a>	This policy or contract form contains a provision regarding continuation coverage. State law provides continuation coverage in circumstances when federal COBRA requirements do not apply, including for groups under 20, and upon application of the employee or member to continue hospital, surgical or medical expense insurance for himself or herself and his or her eligible dependents.  An employee or member who wishes continuation of coverage must request continuation in writing and remit the first premium payment within the 60-day period following the later of: the date of termination or the date the employee is sent notice by first class mail of the right to continuation by the group. The Insurance Law permits the group to charge an additional 2% administrative fee for continued coverage.  The continuation benefits terminate:
