<sup>1</sup> This chart summarizes Gen. Assessment charges for 2018-19 fiscal year. Institution size is as of 12/31/17 for all institutions other than Money Transmitters and Depository institutions which are based on 12/31/2016.

<sup>2</sup> The hourly rate is determined by averaging the salaries and fringe costs of all examiners supervising each type of entity. For this figure, the Department uses staffing assigned to these units in January 2018.

<sup>3</sup> The percentage of the Total Assessment Bill for each industry is forecast for the coming year and determined by the salary and fringe of examiner and specialist employees assigned to those industry groups.

<sup>4</sup> Some institutions in this category with multiple entities regulated by the Department of Financial Services will receive one bill.

<sup>5</sup> Asset figures for all institutions have been rounded to millions which may give rise to a variation from the stated rates
