RE: ANNUAL STATEMENT FILING PROCEDURES

The Department recently reviewed its filing procedures for the annual financial statement required by Section 26 of the New York Insurance Law.

The review disclosed a number of recurrent problems causing delay and expense to the Department, which must publish and submit reports to the Legislature in a timely fashion based on the annual statements. The resolution of these problems usually necessitates detailed correspondence and telephone calls with the carriers.

As a result of the review and subsequent conferences with the various Departmental Bureaus, the filing of the following forms is no longer required:

a) All Companies Writing Accident and Health Insurance -

Form 271F - Exhibit of Policies or Contracts Subject to Insurance Law Sections 164(6) or 253(1)

Form 271EL - Credit Life Statistical Report
