The New York Department of Financial Services seeks to build an equitable, more transparent and resilient financial system that benefits New Yorkers and supports business. Through engagement, data-driven regulation, and operational excellence, DFS is responsible for empowering consumers and protecting them from financial harm; ensuring the health and stability of the financial entities we regulate; and driving economic growth through responsible innovation.

The Department of Financial Services is seeking candidates for the position of Virtual Currency Trust Compliance Specialist in the Virtual Currency Unit within the Research and Innovation Division. Duties include, but are not limited to, the following:

- Plans and conducts examinations and reviews of fiduciary and private banking activities, and operations related thereto, at larger more complex banks and trust companies subject to supervision by the New York State Department of Financial Services;
- Oversees such examinations and reviews being conducted at smaller, less complex banks and trust companies;
- Reviews prior examination reports, and periodic reports submitted by institution(s) to become informed of specific problem areas, overall financial condition, management of institution(s) and to plan examination;
- Meets with institutions' management to present credentials, discusses scope of examinations, requests information and materials needed for examination, and obtains general orientation to the institution's operations;
- Tracks laws, regulations, policies, and examination procedures of federal or other regulatory authorities relevant to the Virtual Currency Unit's trust-related activities;
- Reviews financial institution programs, policies and procedures for compliance with legal and regulatory requirements;
- Supports the Virtual Currency Unit's ongoing supervisory relationships with limited purpose trust charter applicants, licensees, and key industry and public stakeholders;
- May supervise subordinate staff; and
- Other duties as assigned.

Appointment method:
